Release and Assumption of Risk

I am aware that travel, whether in civilized or remote areas and whether by plane or auto, contains some inherent risks of illness, injury or death, which may be caused by negligence of others, forces of nature, or other agencies known or unknown. I recognize that such risks may be present at any time before, during, and after the trip that I am participating in under the arrangements of Delek Children Foundation and its agents.

I am also aware that medical services or facilities may not be readily available or accessible during the trip.

In consideration of and as part payment for the right to participate in the trip and activities, services and food arranged for me by Delek Children Foundation and its local agents or associates in connection with the trip, I have and do hereby fully assume all risk of illness, injury or death, and hereby release and discharge Delek Children Foundation and its agents and associates from all actions, claims or demands for damages resulting from my participation in the trip. I agree that the foregoing obligation shall be binding upon me personally. I am aware that this is a release of liability and a contract between me and Delek Children Foundation, and affiliated organizations, and sign it of my own free will. I also acknowledge that I have carefully read information including his policy on canceled trips and refunds and agree to all stated conditions set forth in the booking information.

Additionally, by signing my initials I agree to the following:

_____ I will respect the tour itinerary and its schedule and remain with the group at all times when traveling with the group. If I choose to skip some of the sites to visit other places that are not on Delek Children Foundation's itinerary, I fully assume all risk related to these independent visits and that it is my responsibility to reconnect with the group per the published itinerary.

_____ Hotel rooms and room keys are disbursed randomly, and I accept that I may not receive the exact room or the floor that I might usually prefer.

_____ I give Delek Children Foundation and others on the trip permission to use any photos taken of me during the trip to be used for future pilgrimage publicity.
